On Tuesday, October 4th, the parents and kids from the Children's Story Hour took a field trip to Maple Valley Orchards to pick apples and romp in the orchards. They were treated to a presentation about apples: different varieties and how they grow. All participants were invited to pick their own apples to purchase and take home. The children were more interested in how they tasted! .

On Tuesday, October 11, the story hour participants were treated to a visit to the Suring Fire Department. After reading a book about fire safety, No Dragons for Tea by Jean Pendziwol, they joined Assistant Fire Chief Les Steffeck for a tour and a talk about fire safety.
