March, 2012

The seasons are what a symphony ought to be:
four perfect movements in harmony with each
other.

~Arthur Rubenstein

March, Lamb or Lion, What Does It All Mean?

With March being such a changeable month, in which we can see warm spring-like temperatures or late-season snowstorms, you can understand how this saying might hold true in some instances. We can only hope that if March starts off cold and stormy it will end warm and sunny, but the key word is hope. However, this saying seems to be more of a rhyme rather than a true weather predictor.

Suring Area Public Library Storytime/UW-Extension Playgroup

Come in and join the Library and UW-Extension every Tuesday morning for Playgroup/Storytime. Playgroup starts at 9AM. This is a chance for parents to come in with their children (infant to Pre-K) and get to know each other as well as the children learning to play and interact together. Playgroup runs until 10:30AM. Immediately following Playgroup is Storytime. This is a quiet time for the kids to listen to stories and complete a craft.

If you have any questions regarding Playgroup, contact Barb Truttman (UW-Extension Parent Resources Coord.) at 920-834-6845.

If you have any questions regarding Storytime, contact Jill Trochta (Children's Resources Librarian) at 920-842-4451.

This gathering is free, the children as well as the parents have a great time and it's a great learning experience for everyone. Come join the fun!

Spring

Spring is everywhere,
On the ground and in the air.
We can find spring in water,
And feel it in an old barn!

The mystery of the Season Spring,
And why do all things respond;
Growth brings happiness and hope
And makes the cows stand in water

Spring is in the air
And you can smell it on the breeze
Spring is in the air
You can feel it in your knees

John McCornack
