Infant Massage Classes

On Tuesdays (May 10th & 17th) from 12 to 1pm, Oconto County UW-Extension Parenting Resource Centers and Healthy Babies Programs are providing Infant Massage Classes at the Suring Area Public Library Learning Center.

Learn techniques which will help parents and babies (1-12 months) establish closer bonds. Infant massage helps early brain development, attachment between you and your baby, relieves colic symptoms and other signs of stress! Child development research indicates that infant massage taught to parents and adult caregivers by a certified instructor has positive outcomes that can last your child's entire life.

There is no registration fee for this 2 week class and there is free babysitting provided for siblings. To register, please call 920-834-6846.

We look forward to seeing you!

Are You Using Your Car Seat Correctly?

Come to a free car seat check on Saturday, May 7th, 2011, from 9am-Noon at Peterson Ford (300 North Main Street, Oconto Falls). Certified Child Passenger Safety Technicians will answer your questions, check your child's seat for recalls, check your seat's installation and assist with the correct installation of your seat.

Grant funded car seats will be provided to eligible families at a rate that families determine, whether they are at no cost or a donation to Safe Kids of Oconto County. Donations are much appreciated and used to keep the car seat program going! Car seats will be provided only to children who need a new seat. One grant funded car seat per child.

CAR CRASHES ARE THE #1 KILLER OF CHILDREN 14 AND UNDER.
