Maker Mondays are back!

The Suring Area Public Library is excited to bring MAKER MONDAY back to you. Last August we offered a crafting class every Monday and we have a lot of people say they loved it, so for the second year we offer you our Maker Monday. We supply (almost) everything, and then teach you the craft. You may want to bring scissors or a craft knife and cutting board each week. Here is this year’s list.

- August 3: Tissue Paper Flowers (BYO Scissors)
- August 10: Shrinky Dink Jewelry (BYO Permanent Markers... if you have them)
- August 17: Mason Jars (BYO Jars)
- August 24: Magazine Art (BYO Scissors/craft knife)
- August 31: Touch Screen Gloves (We have some cheap gloves but you are welcome to BYO knit gloves)

Early Release Days from School are Opportunities for Fun at the Suring Area Public Library

Each school year there are days that students look forward to, early release days being one of them. For the past couple years the Suring Area Public Library has been having fun programs at the library as soon as school gets out. This year is no different.

On each early release day the Suring Area Public Library will host a fun

program that is FREE to all children. We start the programs at 1:30pm so they can come over right after school. There have been movies, crafting, and gaming in years past.

We will once again be offering Early Release Day programs. Have your young ones join us for any and all of the fun days. All programs will go until at least 3:30pm.

Watch our website (www.suringpubliclibrary.org) and our Facebook Page to learn about each early release day program. If you have questions or would like to know more call the library at (920) 842-4451 and ask us!

We hope to see you there!

Maker Mondays 2014

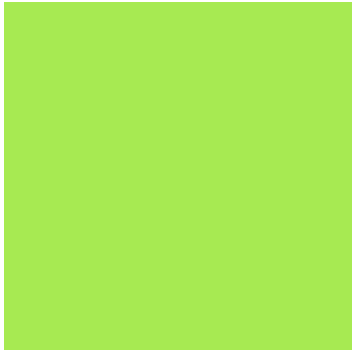

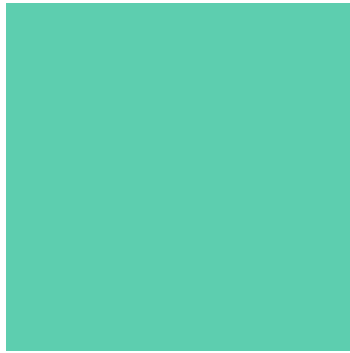

In 2014 we took on some large and small craft projects. Let's take a moment to remember all the fun we had with those projects.

August 4: Glass Etching-This was fun and everyone made great projects.

August 11: Toothbrush Rugs-This was very ambitious. We had a lot of laughs.

August 18: Mini Book Charms-These cute little charms turned out great.

August 25: Freezer Paper T-Shirts-Designing shirts was fun for all.

Disc Resurfacing

New Service Offered at SAPL

The Suring Area Public Library would like to acknowledge the Friends of the Library for all their generous donations throughout the years. The Friends have helped with Summer Reading every year, sponsored many different programs, purchased items for the library, and truly supported the Library.

This year the Friends of the Library have gone above and beyond. The Friends were generous enough to purchase a professional Disc Resurfacer for our library.

Due to the great success of the annual Rummage Sale (a HUGE thank you to everyone who donated items, time, and shopped) the Friends generated the bulk portion of the cost of the resurfacer. This was a wish list item for the library and we are very pleased to have it.

What is a Disc Resurfacer? This is a specially built machine that uses precision tools to sand off the surface of a disc and then applies a new surface. This

(continued)

does NOT harm the data on the disc (i.e. movie, music, etc.). This machine is specially built for this job.

The Disc Resurfacing machine has already saved multiple DVDs and CDs from our collection that previously would have been discarded due to deep scratches. We are thankful for this machine every day.

Now you may be asking, "Why should I care about this?" What makes it worthy newsletter information? Well, the Library Board has just approved a policy that allows the public (this means you) to bring in discs to be resurfaced. Do you have a DVD at home that is scratched, skips, or stops but you don't want to get rid of because you love it? Do you have a CD that won't play anymore but you can't find a replacement? How about a video game? A Blu-Ray? Our machine can fix all of these!

However, you do have to abide by the new policy. The Disc Resurfacing policy tells you what you can bring in, how long it may take to get the item back, and the cost. Yes, there is a cost. This cost covers the price of the materials needed to fix your discs. This way we can afford to keep the machine running for a long time. The Disc Resurfacing Policy can be found on our website at www.suringpubliclibrary.org/policies#DiscResurfacing

<http://suringpubliclibrary.org/policies#DiscResurfacing> and right here.

Suring Area Public Library Disc Resurfacing Policy

The Suring Area Public Library owns and operates a disc resurfacing machine. This machine is first and foremost for the use of the Suring Area Public Library. Priority of the machine will go to the Suring Area Public Library. Use of the Disc Resurfacing Machine will be done by trained library staff members.

The Suring Area Public Library will clean discs (DVD, CDs, Blu-Ray, CD-ROMs, or gaming system software) for the public. Public discs will be resurfaced as soon as possible by library staff, taking no more than 30 days to complete. People choosing to use this service must be 18 or older and have a valid library card that is in good standing.

The Suring Area Public Library is not liable for any loss or damage to discs during the resurfacing process.

There is no guarantee or warranty that the cleaning/refinishing will fix or improve the performance of the disc. The Library assumes no responsibility for the disc. All people using this surface must sign a liability disclaimer and be eligible to participate. All costs must be paid up front.

Disc Resurfacing costs are as follows:

Liability Release for Disc Resurfacing Activity

[Enter your name here]("Participant") hereby releases The Suring Area Public Library ("Provider") from any claims for loss, damage, or injury sustained while participating in the Disc Resurfacing Program (the "Activity").

Provider does not maintain any liability insurance for protection of individuals, business entities, groups, organizations, spectators, or others who may participate in the Activity.

In consideration for participation in the Activity, the undersigned individual, business entity, group, organization, spectator, or other, does hereby release and forever discharge Provider, and its officers, directors, agents, and employees, jointly and severally, from any and all actions, causes of actions, claims, and demands for, upon, or by reason of any damage, loss or injury, of any kind or nature, which may be sustained by participating in the Activity.

The Liability Release extends, applies to, covers, and includes all unknown, unforeseen, unanticipated, and unsuspected injuries, damages, losses, and liabilities and the consequences thereof, as well as those now disclosed and known to exist.

Participant hereby agrees, on behalf of his or her heirs, executors, administrators, and assigns, to indemnify Provider and its officers, directors, agents, and employees, joint and severally from any and all actions, causes of actions, claims and demands for, upon or by reason of any damage, loss or injury, of any kind or nature which may be sustained by participating in the Activity.

It is further understood and agreed that participation in Activity is not to be construed as an admission of liability or acceptance or assumption of responsibility by Provider, its officers, directors, agents, and employees, jointly or severally, for any damages and/or expenses for which Provider, its officers, directors, agents, and employees, become liable as a result of any alleged act of the Participant.

Once again, the Suring Area Public Library thanks the Friends of the Library for their generous donation to our library. We hope our Disc Resurfacers makes everyone as happy as it has already made us.
