"That Day"

By Billy Nardozi

It is a day in history
We'll never forget
And a day that we'll cry for
And that you can bet

And it is a day that we lost
Thousands of lives
Our family and friends
And husbands and wives

And it is a day we will honor
Those brave who had dared
To go into those Towers
Because they had cared

And it is a day we will fight
To the very end
To make sure that it never
Happens again

And it is a day we will pray
For the loved ones who perished
Who we so dearly loved
And always have cherished

And it is a day we'll request
If it's not too much
That spot at ground zero
"Never Be Touched"
