YOUR LOOK INTO THE LIBRARY

# The SAPL News

## Show your Library Love

Every Autumn the Suring Area Public Library (SAPL) writes a budget and submits it to our five municipalities. This year is now different, but now the library needs your support.

For the first time in five years SAPL is asking each of our municipalities for an increase in funding. We have not asked for an increase since 2011 and prices have gone up.

SAPL would like to continue to offer the level of service we have and not have to cut hours or staff. Therefore, we need a little extra funds.

How can you help? If you love the library as much as we know you do then attend your Town or Village meetings and make your

love known. Your attendance and support goes a long way.

You can also show your support by attending library programs and events. Come see a movie, join us for a crafting event, and stop by for all the little things we do. This too shows your support of the library.

Did you know you could even join a book club? There are three book clubs at SAPL and you are welcome in any of them. Two meet on the second Tuesday of the Month, one at 10:30am and one at 1:00pm. The third club meets on the second Thursday at 6:30pm. Stop in

the library and ask us about what they are reading.

We love all our patrons and have so much fun working for our communities. Thank you in advance for showing your support and making our library a place people want to come.

See you under the reading tree!

*Autumn is in the air. Can you smell it?*

## Early Release Day from School are Fun at the Library

Each year the Suring School District has a few early release days. If your family is anything like mine was then those days mean that caregivers have to rearrange their schedules so they can be home with their children. Well, let SAPL help you with that. Let us have your children for a fun program every early release day.

During each early release day through out the school year the library will offer something special to do from 1:30 pm to 3:30 pm. Then you can pick your children up right from the library.

These events will always be FREE to participate in and there will be something for EVERYONE. If you child does not want to participate in the designated fun

Hello Autumn, my dearest friend.

they can always come to the library to read a book, work on homework, or play a game or two (we have a cart full of games in the back of the library)!

The first early release day of the year is Wednesday, September 23, 2015. The Suring Area Public Library will have

TWO special events going on... a Painting Party for those ages 10-14 and a Movie for everyone else. Check out all about both events on this page.

sometimes perilous adventures, amazing footage captures all the magic and surprises of their magnificent world. Maya and her family will make you laugh and warm your heart as she realizes her dreams for her son's future.

## Play Group & Story Hour are Back for the Fall

“The single most significant factor influencing a child’s early educational success is an introduction to books and being read to home prior to beginning school.”

-National Commission on Reading

Let the Suring Area Public Library help you get your child off on the right foot by joining us for our weekly Play Group and Story Hour.

Play Group:

This weekly event happens on Tuesdays from 9:00 am to 10:00 am in the Library Learning Center and is specialized for children ages newborn to pre-k.

During this hour we encourage the children to interact with each other.

They learn valuable skills such as sharing, teamwork, and cooperation. This is also a great time for caregivers to talk about the hardships and triumphs of loving these children and exchange tips and tricks.

*I feel fall in the air. Can you feel it?*

Playgroup is FREE and supported by the UW-Extension Parent Resource Office.

Story Hour:

Story hour is a time for children to listen to a story or two and work on a craft project together with their caregivers. This FREE event meets on Tuesday mornings from 10:00 am to 11:00 am in the Library Learning Center.

Story hour is designed for the caregiver to sit with their children and help the child participate. This program is perfect for children ages newborn to pre-k.

## New INFOSOUP Coming Soon

On September 14th we will be moving to a [New InfoSoup](#) catalog. You can begin using the new catalog, continue to use the "classic" InfoSoup, or use both.

Your Library Card Number and PIN will remain the same and all your **My Account** features such as checkouts, holds, lists, fines, will be exactly the same. In fact, the "New" InfoSoup is really the same catalog with a new look and feel, additional content, and some great new features. We think you will find the [New InfoSoup](#) very intuitive and easy to use. If you have questions, please talk to your library staff.

Below is a list of some of the new features.

### What's New!

- Improved search results
- Easier to limit your results to a specific format and/or location

- Checkout and manage your Over-Drive titles right in InfoSoup
- Find magazine and newspaper articles in addition to regular InfoSoup content

- Use your same library card number and PIN to login
- Easy to place, view, and manage your holds
- Renew online
- Pay your fines online

- Your Reading History (if you *opted in*) and any My Lists you created will still be available

**What's missing**  
There are a few features that are not available. Reviews and Rating from InfoSoup users

no longer display. For most titles, however, reviews and ratings from Goodreads will appear near the bottom of each full record display.

### What's NOT (really) New!

Many of the most popular features of InfoSoup may look a little different, but will work just about the same as before.
