SAPL NEWS

Be The First Drawings are Back!

Everyone knows that the library is a wonderful place that allows you to get books, movies, magazines, and more for free. What happens though when something you really want has a long holds list on it before you can even request it? You end up waiting a long time for it. Well, with the "Be the First" drawings at SAPL you no longer have to wait... well, at least 1 person no longer has to wait.

It is as simple as 1, 2, 3.

1. Come into the Library.
2. Read the short synopsis of the items you could win.
3. Put your name in the drawing to win the items you want.

That is it. It is not hard at all! We will draw the winners and notify them as soon as the item is ready to be checked out. You could take home something before all your friends!
