Veterans Day

By Taylor Weinman

*Representing the red white and blue
The colors of our flag stand out proud
and true.
The white stars on blue background with
red and white stripes
Remind me of these veterans, who all
risked their lives.
Just so the people of the U.S. could all live
in peace and be free
These are the heroes that represent you
and me.
They stood up strongly, united as one,
And kept up the fighting until they
were done.
And although some have fallen, and lost
their lives in war,
We pray for each one of them.
And now that their souls live on
forever more,
Above in God's hands.
They watch over our nation,
And give us strength to triumph over
others with strong anticipation.
So every year, when this day comes by,
Think of all the veterans that while
fighting, had to die.
And remember that they were people
With fire and passion embedded inside.
They die for this country,
So remember and honor them with pride*
