SURING AREA PUBLIC LIBRARY

Happy New Year!

Happy 2018 everyone! We hope your year will be a good one! I would like to take this opportunity to thank everyone for being part of our community. You have been so patient throughout 2017 with our hours changing, staff changing, etc. This year will bring more programming for adults/seniors/children; more movies; and more new materials for our collection. Stop in and say hi, check out a book and just relax!

LOCAL AUTHOR HAS BOOK PUBLISHED

Melissa Sinclair, a Suring native, still lives in Wisconsin with her husband, three children and her dog. She has a full time job that takes too much time away from her three passions: her family, reading and writing. Her debut novel, “In The Night”, was published September 1, 2017. She loves romantic suspense, paranormal romance, romance and young adult books. In addition, she loves her wacky children who have three distinct personalities. One is shy at first and incredibly bright, one is willing to help anyone and quietly smart and the other one is funny and full of energy. Her husband is her biggest supporter in this adventure and was willing to let her publish this book the way she wanted.

A synopsis of Melissa’s book:

Ten years ago Kara Vanderbilt was abducted and tortured for four days. She fought her way out of the hands of a sadistic madman, only to have her world shattered once safely home. Fleeing her family home and the only person who loves her, she tries to start over, but distance does not heal all wounds.
